While you're there, you can purchase raffle tickets and/or make a contribution to the Mark Beban Memorial Fund.

Many thanks to our sponsors

# Diamond Event Group

Mark Beban was diagnosed with stage 4 lung cancer in March 2013 and lost his courageously fought battle on November 15, 2014. He leaves behind his wife, Jenny and 3 small children Izabella (5), Charli (4) and Ryland (3).

To help honor and remember the life of this remarkable man, the Mark Beban Memorial Fund has been established to raise funds for a permanent memorial in the Village Green Park located in central downtown Northbrook, IL.

As a lifelong resident of Northbrook, the Village Green Park represents a central location throughout Mark's life. The Village Green Park is where Mark and Jenny first met during Northbrook Days, held their marriage ceremony in the gazebo and brought their three kids to play.

From beginning to end, Mark was a very engaged father who never stopped fighting or allowed the cancer to define him. Unfortunately, Mark's body gave out before his spirit. While we have lost the captain of Team Beban, he is still rooting for all of his family and friends. Mark touched so many people during his 38 years, the Mark Beban Memorial Fund will help us continue to celebrate his life where he loved living it.
